About Juhl Wind, Inc.

Juhl Wind is an established leader in the renewable energy industry with a focus on Community Based Wind Power development, ownership and management throughout the United States and Canada. Juhl Wind pioneered Community-Based wind farms, developing the currently accepted financial, operational and legal structure providing local ownership of medium-to-large scale wind farms. To date, the Company has completed 22 wind farm projects and provides operations management and oversight across the portfolio. Juhl Wind services every aspect of wind farm development from full development and ownership, general consultation, construction management and system operations and maintenance. With its consolidation of the Valley View, Winona County and Woodstock Hills wind farms, the Company has now invested in and operates 21.7 MWs of wind power through its independent power producer ("IPP") subsidiary, Juhl Renewable Assets, Inc. Through its subsidiary, Juhl Renewable Energy Systems, Inc. ("JRES"), the

Company also provides full sales and service to smaller, on-site wind and solar projects in addition to our larger Community Wind Farms. Now, with its acquisition of Power Engineers Collaborative, Juhl provides a full range of engineering services to the energy industry, building systems markets and heavy industry. Juhl Wind is based in Pipestone, Minnesota and has offices in Chicago, Minneapolis, Madison and Milwaukee. Juhl is traded on the OTCBB under the symbol JUHL. Additional information is available at the Company's website at www.juhlwind.com or by calling (507) 562-8090.
